Drive Rheumatism Out of your blood at once and do not give it a chance to injure your heart. A prolonged Rheumatic condition of the blood interferes with the Heart's functions and is the principal cause of Organic Heart Troubles. The history of cases of sudden deaths from Heart Failure proves that ninety per cent of the persons stricken had been afflicted with Rheumatism. All the blood in your body must pass through the Heart, over and over again, hundreds of times during every twenty-four hours. Rheumatism is caused by the presence of Uric Acid Crystals in the blood and such a condition lests, the injury gradually grows more extensive year after year, until the entire structure of the valves is changed.

It is the same as the hands of workers become hard and calloused, the skin in places like pieces of horn, from continual contact with irritating substances. The Heart Valves become hard and stiff, the same as Rheumatic joints, instead of soft and pliable, are unable to work properly, and in time this inability causes sudden death. If you are afflicted with Rheumatism, you must drive the Uric Acid from

your blood, for your very life's sake as well as your comfort and peace of mind and body. Read the following personal offer to Rheumatics, which offers you a full-sized one dollar bottle of a powerful and valuable Rheumatic Remedy, one that drives Uric Acid from the blood, FREE TO TRY.
